OUR BRAND'S *Story*

Welcome to Shaamy Lounge unisex saloon & spa Crafted with Experience, Sustained by Excellence

Founded in 2015, Shaamy Lounge stands proud as one of the **first unisex salons in Davangere** a place where grooming, self-care, and artistry come together in a warm and welcoming environment. For nearly a decade, the salon has earned the trust of its clients through consistent quality, professionalism, and a deep-rooted passion for the craft.

At the heart of this space is **Roopa G.R**, a highly accomplished hair stylist, makeup artist, colorist, and skin consultant with over **20 years of experience** in the beauty industry. Her journey began in Chennai, where she started as a trainer for **L'Oréal's MATRIX division**. Even at the start of her career, Roopa stood out—not just for her technical skill, but for her initiative and leadership. She led workshops, launch events, technical trainings, salon management programs, and product education, setting high standards early on.

Over the years, Roopa has built an exceptional portfolio of qualifications. She holds a diploma from the **L'Oréal Hair Academy**, has completed both Creative Coloring and Classic Cutting courses with **TONI & GUY in Singapore**, and received foundational to advanced training in makeup from **Pivot Point** and **Kryolan**. She further honed her skills under **Dominic Cruz,** the internationally recognized **Miss Universe Makeup Artist**, and completed advanced skincare training with **THALION in France.** With a strong academic foundation in **Nutrition and Dietetics**, and a Level 1 certification from **City & Guilds**, her approach to beauty is both holistic and highly professional.

Beyond her qualifications, Roopa is admired for her **clarity, creativity, punctuality, sincerity and honesty.** Clients often speak of her thoughtful approach, her calm and communicative style, and the genuine care she brings to every session. Whether it's a bridal makeover, a self-grooming workshop, or a casual haircut, her work is deeply personal and consistently professional.

Today, **Shaamy Lounge continues to flourish**, a reflection of **Roopa's** commitment to detail, learning, and service. Every element of the salon—from its aesthetic to its team is guided by her experience and her belief that **beauty is not just about how you look, but how you feel. And it's not temporary, t's everlasting.**

A salon with a story. A founder with purpose. A foundation of experience, built to stand the test of time.
